Hon. A.A.Desai,C. J.
Hon. Irshad Hussain,J.

Heard Mrs. Pushpa Joshi, learned counsel for the petitioner at length. The petitioner is a Ranger. The grievance canvassed by the learned counsel is that he has been placed in a project of which incharge is of the same rank and grade. According to the learned counsel, this is degradation and the petitioner ought to have been given charge of the project. The grievance as canvassed has no legal foundation. Even otherwise, there is no legal injury. We,therefore, do not propose to entertain the petition.

The petition is dismissed.
